

Uniform Policy

Glenunga International High School is a **full** uniform school. All students are required to reflect the school Value of *Excellence^{PB}* in their wearing of the uniform. No visible makeup, nail polish, jewellery or piercings (other than a single sleeper per ear) are to be worn. Some students may require an exemption to wear an additional piercing (such as a nose stud) or jewellery that has cultural / religious significance. In order to apply for this exemption families need to write / email the Principal describing the exemption required and the significance. Head scarves need to be blue or white. Students who do not respect uniform requirements are sent home (in Year 11 / 12) or spend time working in The Pod (in Year 8 - 10) until they are able to deliver on these requirements. All items must be **official** Glenunga International High School wear as displayed and sold at the Brandmode retail outlet:

Retail Address: 83 Glen Osmond Road Eastwood SA 5063

Phone: 8357 0022

Fax: 8357 0099

Some Frequently Asked Questions

1. What happens if we miss the allocated uniform times relating to our surname?

Due to the high volume of students, Brandmode encourages that the dates be adhered to as best possible. These dates are to ensure Brandmode is able to allocate quality fitting time for each individual student. Should the student not be able to attend the allocated time we encourage visiting the Brandmode Retail store as early as possible.

2. Why does Brandmode require uniform purchases to take place in November?

January is a **very high** volume retail time in the school wear calendar month. It is not possible to estimate what depth of stock is required in each size and style as well as to accommodate the total volume of Glenunga International High School students in such a limited time. By purchasing or pre-ordering uniforms early, you will be given priority delivery of uniform items, including manufacturing those special sizing needs in time for back to School 2016.

3. What happens if we purchase uniforms in November and my child has a growth spurt?

Brandmode to the best of its ability will suggest sizing to accommodate growth patterns as experienced with past students at the fitting stage. With this in mind, Brandmode encourages that the uniform is tried on two weeks or so before school starts in January 2016. Should a change of size be required, Brandmode encourages the student to visit the store in those last weeks prior to school commencing.

Footwear Policy

Brandmode is recognised for their professional fitting service in both school and sports footwear and all students are offered 20% off their purchase.

The black leather shoes illustrated are the only acceptable uniform items with **reasonable sized** straps, buckles and a **defined** heel and sole for support. Any other footwear will be considered non-uniform. Laces must be black.
