

Extreme Weather Process – 2018

(When indoor supervision is required due to hot or wet weather)

Three short blasts of the school siren will sound at the beginning (or during) recess or lunch when students need to move inside or under shelter due to the weather conditions (as determined by the EL person rostered on duty for the day).

Students cannot remain out in the open during wet weather nor be in the direct sun when the current temperature is 36°C or above (on the BOM website). They are required to be under shelter or inside in their appropriate Sub School area.

| Year | Weather Locations | Weather Supervisors (at least 2) |
|------|------------------------------------|--|
| 8 | Maths Wing / Gym | Kylie Johnson, Paul Mildren, Ben Miels, Ben Phillips |
| 9 | Languages Wing / Gym | Kyra Staak, Laura Betteridge, Nick Fowler |

| Gym | Remain on Gym duty |
| Weights Room | Remain on Weights Room duty |

SHERIF SOLIMAN oversees the Main Building

The **EL PERSON** checks their Sub School area and if supervised resumes their sweep of the school.

The **YARD DUTY COORDINATOR** ensures all students are **off the oval in wet weather** or **under the shade of the trees in hot weather** then circulates between the Gym, PAC Foyer and sheltered areas.

BACK-UP SUPERVISORS - to cover absent Sub School Leaders
