*Enrolment Criteria – By Year Level***YEAR LEVEL: 7 (and 8 in 2022)**

Applications for enrolment from parents of prospective Year 7 (and Year 8 in 2022) students require that the student must be enrolled in a government or non-government school in South Australia at the time the parents apply for enrolment through the state-wide registration of interest process (coordinated by the Department for Education).

The applicant must meet one of the following requirements to be eligible for a Year 7 (and Year 8 in 2022) allocation through the registration of interest process for the coming school year:

- the child is living in the Glenunga International High School zone
- the child has received and accepted an offer for selective entry by the school to participate in their special interest IGNITE program
- the child identifies as Aboriginal and/or Torres Strait Islander through the Enter for Success program (by the end of term 4)
- the child has been granted enrolment due to special or extenuating circumstances, including but not limited to a child in care where there is a custody or guardianship order made under the *Children and Young People (Safety) Act 2017*.

Application for Year 7 (and Year 8 in 2022) from students living outside the zone with siblings currently at the school

There is no automatic entry to the school for Year 7 (and Year 8 in 2022) students who live outside the school's zone and have older siblings who currently attend the school.

Late applications for Year 7 (and Year 8 in 2022) from students living in the school zone

Families who move into the school zone, or who are already living in the school zone but lodge their application for enrolment after the department's registration of interest process is completed (end of term 2), will have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum (excluding special interest programs), transportation/location convenience, and social/family links.

The school will notify parents by the beginning of week 1, term 4 if a vacancy is available for their child to attend the following school year.

If no vacancies exist, the applicants will be placed on the enrolment register and referred for enrolment to other neighbouring schools.

Applications for enrolment from parents of prospective students living in the school zone will be considered if or when vacancies exist, with priority consideration afforded to those applicants already on the enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum, transportation/location convenience, and social/family links.

The school will notify parents by the beginning of week 1, term 4 if a vacancy is available for their child to attend the following school year.

If no vacancies exist the applicants will be encouraged to remain at their current high school, or referred for enrolment to other neighbouring schools, and upon an applicant's request will be placed on the school's enrolment register.
