

As part of **Future Fit Pathway Planning** Yr 10-12 students can apply to do a **VET (Vocational Education & Training) course** for 2025. For students in Yr 10 these are introductory VET courses that give a 'taste' of an industry area. They will also provide supporting evidence to apply for the full certificate course for Yr 11 or 12.

If you want to find out more about VET then please visit the GIHS Website → Curriculum → [Vocational Education & Training](#)

Here are links to VET websites so you can see the range of courses on offer for Yr 10-12 students:
